JOINT VENTURE TO DEVELOP 1010 MIDTOWN

ATLANTA — Daniel Corp., Selig Enterprises and the Canyon-Johnson Urban Fund will develop 1010 Midtown, a 35-story, 630,000-square-foot mixed-use development located on Peachtree Street between 11th and 12th streets in Atlanta's Midtown submarket. The 2-acre site will feature 443 high-rise condominiums and 38,000 square feet of retail and dining space. 1010 Midtown is set to be the cornerstone of Midtown Alliance's Midtown Mile — the 14-block Peachtree Street corridor between North Avenue and 14th Street. Residents of 1010 Midtown will have resort-style amenities including a state-of-the-art fitness center, a clubroom, a swimming pool, and a private deck-top plaza with panoramic views of the downtown skyline. Construction is set to begin this month. The first homes will be available for occupancy in fall 2008 with the retail portion opening in early 2009.
