**O**ur 3rd annual White Hot Party at the fabulous Buckhead store of Mitchell Gold + Bob Williams drew a sexier than ever crowd this year with the help of 1010 Midtown and Smart Car. Guest sipped Pernod Ricard cocktails and ice cold Peroni beer and nibbled on light bites from A Legendary Event. Revelers such as Zaza Pachulia, Angela Karatassos, Mychael Knight and Sally Dorsey circulated the showroom in their sleek summer whites and grooved to the sounds of DJs Trauma and Mike Zarin.
